DEATH OF MRS. LENA VOGEL.

Mrs. Lena Vogel died yesterday afternoon at 5 o'clock at the home of Mr. and Mrs. Joe Groginski, after a week of very serious illness. She was stricken several days ago very suddenly and never fully regained consciousness. All was done for her that it is possible for human skill, or love's tender ministering to do, but all in vain. She gradually grew weaker from day to day, and at the hour above stated passed into a sweet and peaceful sleep.

Mrs. Vogel was 58 years, 11 months and 3 days of age at the time of her death. She was born at Posen, Prussia, and when the family came to the United States, settled in New Orleans where they lived for some time. Later they moved to Texas, settling at Madisonville, and fourteen years ago came to Bryan and had resided here since.

Mrs. Vogel lived a very quiet and retired life, but was a pure, sweet spirited woman and held a warm place in the hearts of all who knew her. She is survived by two brothers, Messrs. Max and Maurice Pinsky, of New Orleans, one nephew, Mr. David Woolf, of Galveston, and two nieces, Mrs. Joe Groginski and Mrs. Flora Hart.

She was laid gently to rest in the city cemetery this afternoon at 4 o'clock, Rabbi Warsaw, of Waco, conducting the funeral obsequies.

Allen Academy in Houston.

The Allen Academy basket ball team went down to Houston Friday night for two games with the Houston High School, to be played Saturday afternoon and night. In the first game the Allen boys played with their old-time unerring precision and won easily by a score of 35 to 21. In the night game, however, the Houston boys braced themselves for a desperate struggle, the tide of fortune turned and Allen's invincibles went down. It was a very close score, however, being only 25 to 23.

The Houston team visited Bryan a short time ago and played Allen two games, the home team winning both easily.

NEW ADDITION TO BRYAN.

The property of Messrs. Emmett and Henry Rohde east of the city near Villa Maria has been laid out into lots and blocks as an addition to Bryan and placed on the market. Many of the lots have already been sold and the others are going fast. The Eagle learns that several new houses will be erected in this beautiful suburb at once.
